New Robes Make the Difference!

During this past year the High School Choir has been very busy. This year, the choir purchased new robes and stolls. With the help of the Junior High Choir, the choral department was able to purchase a new stereo system.

The A.H.S. Chorus has participated in many things this year. They have given many concerts and participated in District Choir Contest, receiving a superior rating. They went on to State Competition and received an average rating.

Miss Simcox is very pleased with this year's happenings and results.

Football 81-82

Football is hard work, but is well worth the time and energy put forth by the team. A team is not a team without the coaches and the fans.

This year's season showed the progress made by the team with the guidance of the coaches and the enthusiasm of the fans. In three years, the team has gone from a 0-10 record, to a 5-5 record, and promises to get better with each growing season. The team will keep growing if the fans keep their level of enthusiasm growing too.

Archer Golf Team

Golf is not only a game played to win, but it is a game played to show sportsmanship, skill and dedication. In the past year, the golf team certainly showed its capability in all of these. We hope that the golf teams to come will show the same behavior as this year's team.

CHEERLEADERS

The cheerleaders began their season in August by attending the U.S.C.A. camp at Ohio State University. They learned a variety of new cheers, chants, a pom pon routine, and pep rally skits.

Various fund-raisers like a dunk-tank at the polka festival, a punk dance and bake sales brought ten new pairs of pompons for the Varsity and JV squads.

Mis Simcox started something new in the fall. At each game she looked for the cheerleaders that showed the most spirit and the following Monday those cheerleaders were awarded "Spirit Stars" to sew on their sweaters.

Poem to the Seniors

On winged feet the four years pass
And now we honor our Senior Class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight — before you turn and go
Your separate ways, as well we know.
Enjoy this place, these hours, this school
In memory they'll return to you.

On Friday May 7, 1982, the AHS Seniors loaded the Indiana Motor Busses for their class trip to the World's Fair in Knoxville, Tennessee.

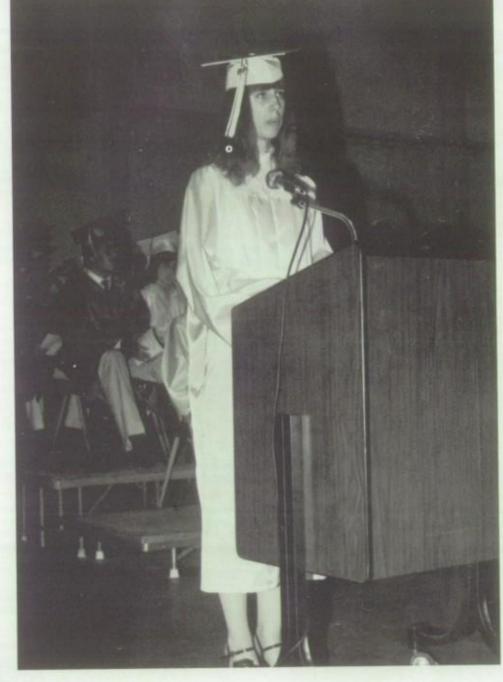

Saturday morning at 10:00 A.M., we arrived at the Fair. We all received our tickets and were turned loose. Everyone rode the rides and explored the exhibits. Some Seniors watched the parades and shows.

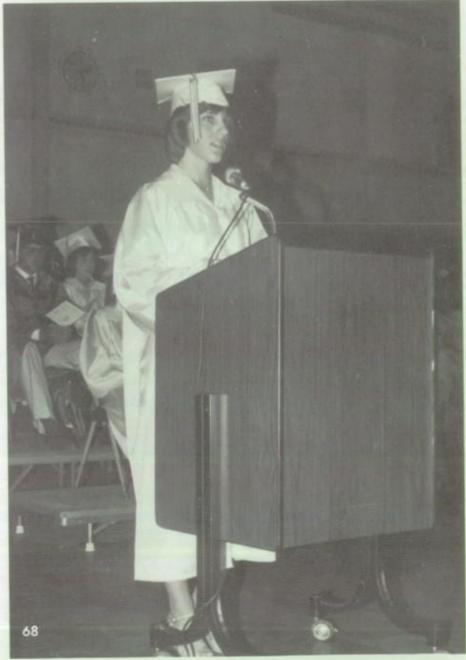

Everyone met the buses at the gate with their arms loaded with all kinds of souvenirs. We left the fair at 10:00 P.M. and reached home, Sunday morning at 4:00 A.M. Everyone was tired but had a lot of fun spending the day at the World's Fair.

Senior Class Song "You've Got a Friend"

When you're down and troubled and you need some love and care, and noth-in' is go-in' right. Close your eyes and soon I will be there to brighten up even your darkest night.

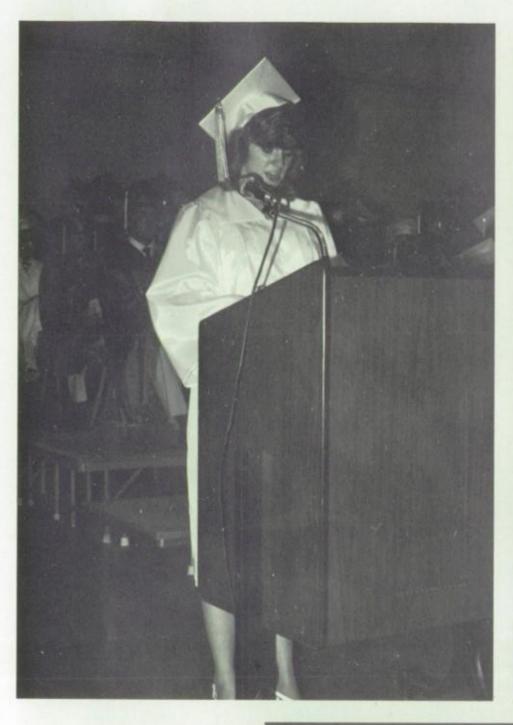

If the sky above you grows dark and full of clouds, and call my name out loud, soon you'll hear me knock-in' at your door.

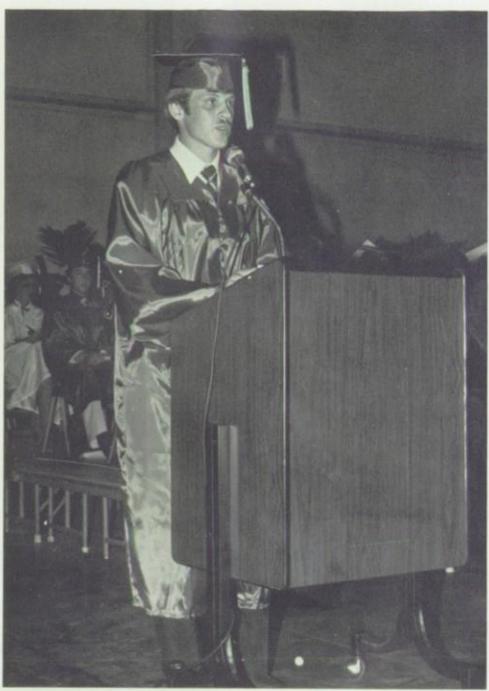

Ain't it good yo know that you've got a friend, when people can be so cold? They'll hurt you, yes, and desert you and take your soul if you let them. Oh, but don't you let them.

You just call out my name and you know wherever I am I'll come runnin' to see you again. Winter, spring, summer or fall, all you have to do is call and I'll be there, yes, I will, You've got a friend.

— CLASS MOTTO To acomplish great things we must not only act, but also dream; not only plan, but also believe.

Congratulations 1982 Seniors

That memorable Thomasville touch. That masterful Thomasville look.

Thomasville

Informality — the lifestyle of most young moderns. But what do you do when it's a "dress up" party you have in mind? You combine the best of casual living and traditional elegance in a dining room styled by Thomasville in its new "Principality" grouping. Featuring beaded windowpane moldings, graceful arches, a handsome trestle table, beveled glass and grille doors, and rich fruitwood with the patina of fine antiques. "Principality" fits any mood or any need. Classic dining, handsome storage in the buffet and closed deck, and a striking buffet serving area on the mobile server are all combined informally and elegantly. Come see the charm, grace, and informal elegance — by Thomasville, of course.

From the Editors' Desk . . .

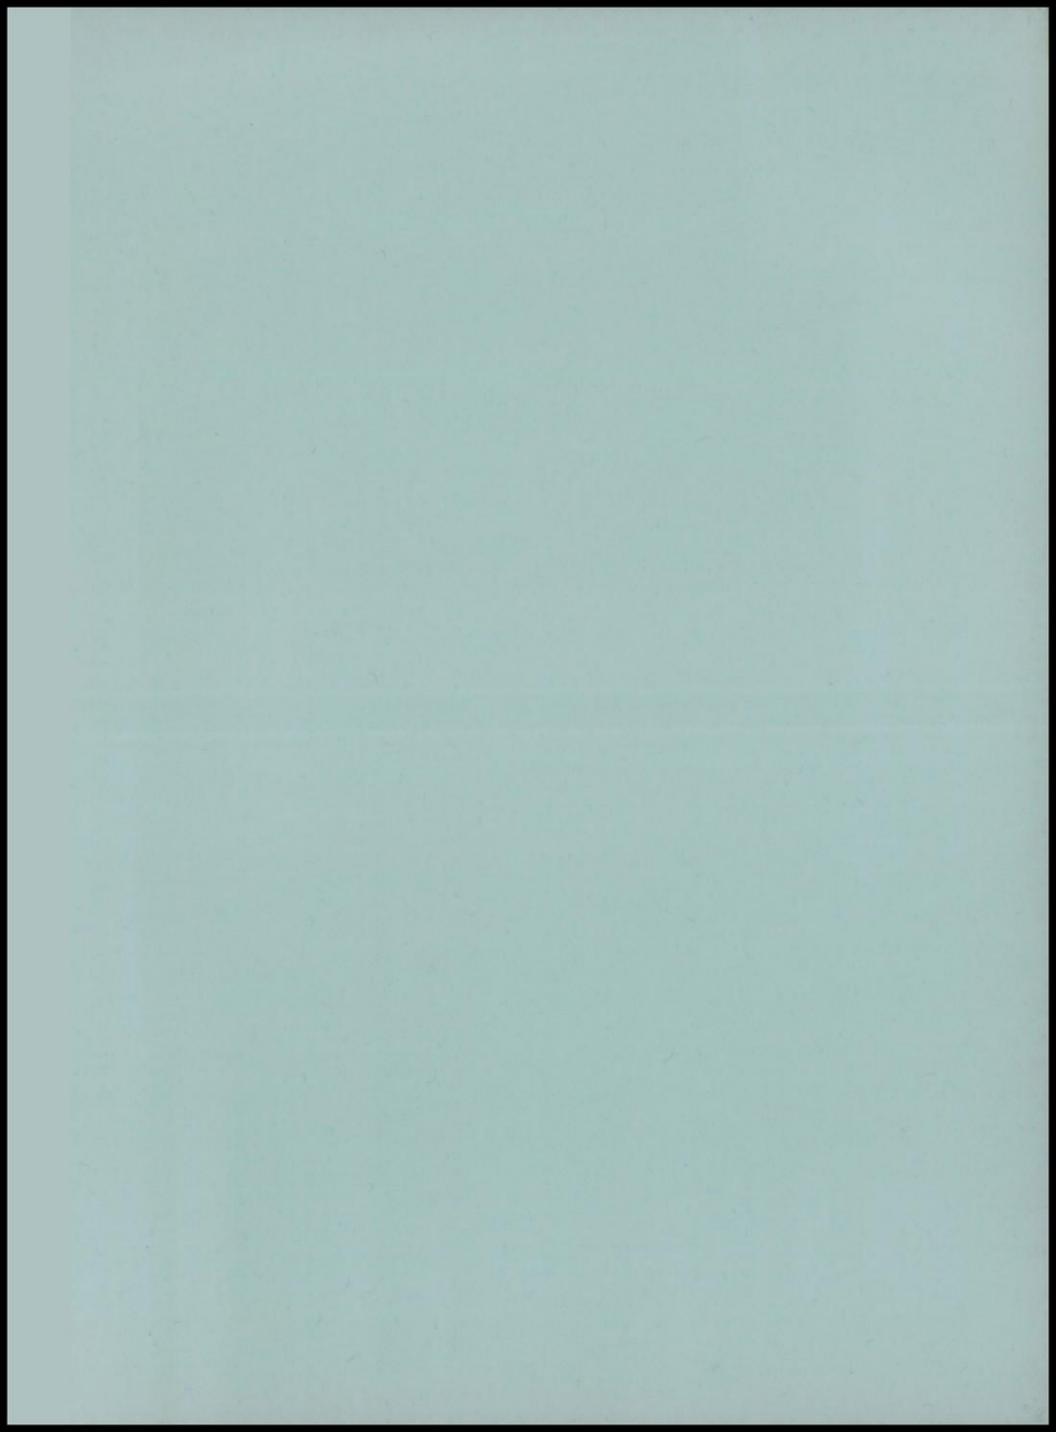

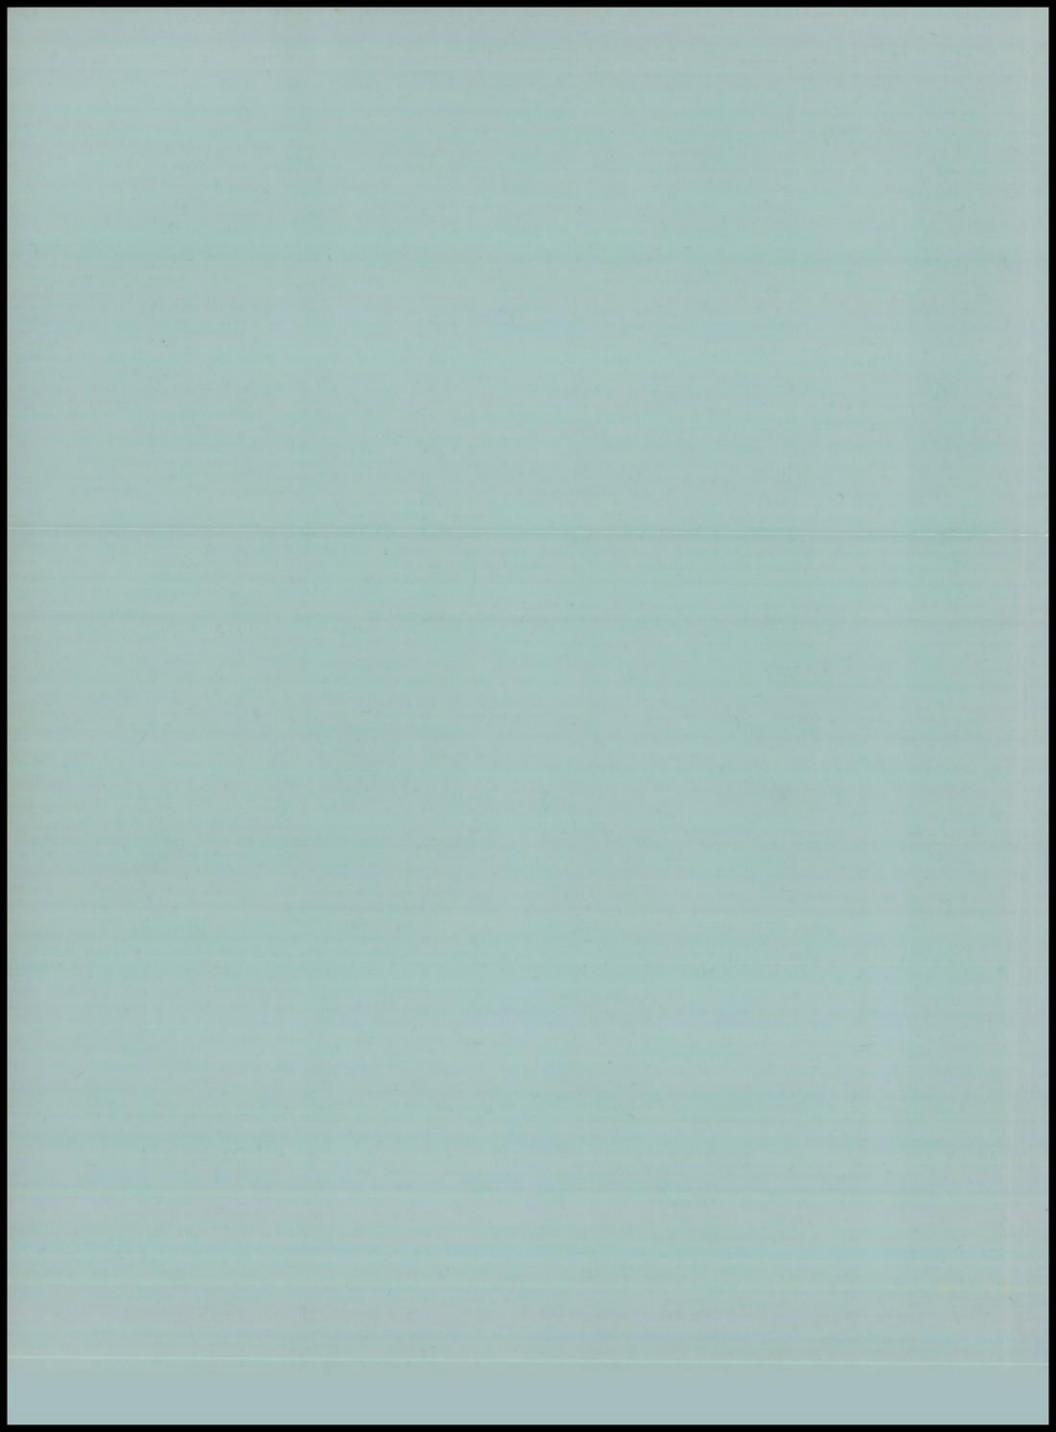

The school year offers many experiences for all of us. We are constantly involved in activities and we keep moving from one activity to another in order to find new meanings in our areas of interest. We through these activities hope to gain a clearer sense of identity.

We, the editors of the yearbook, have tried to capture most of these moments in picture form for you in this 1982 yearbook.

THE END
